Project Feasibility Questions

Napier City Council Waste Minimisation

Form Preview

As you're applying for more than \$10,000, we recommend you do some checks to ensure your project will work and is feasible.

A feasibility study will help ensure you've considered what's necessary to make your project a success. It is a "health check" on your project to make sure you have the foundations set

How much money is needed to start the project and keep it running until it is established or completed?

Make sure to break down every possible cost before you fully commit to your project

Who is your target audience/customer?

Determine your target audience to ensure your marketing efforts are focused, efficient, and cost-effective.

What other organisation/individual is doing work in this space?

Identify organisation/individual offering similar products or services, and analyse their strengths and weaknesses

Do you have any compliance/legal obligations?

Review your legal and business responsibilities at business.govt.nz
